REMARKS

In the amendments above, Claim 1 has been amended, Claims 7-9 and 11 have been cancelled, and new Claim 12 has been added.

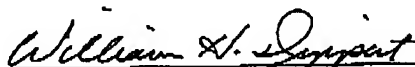

This paper is responsive to a telephone conversation with the Examiner, who indicated that Claims 7-9 and 11 should be examined separately from Claims 1-6 and requested authorization to cancel Claims 7-9 and 11, which could be pursued in a divisional. Also, Applicants' undersigned representative suggested that Claim 1 be modified to focus on steps a) through g), with a new dependent claim directed to the additional step to prepare a pharmaceutically acceptable salt.

At the Examiner's suggestion, Applicants are submitting the instant paper for the purpose of amending Claim 1, canceling Claims 7-9 and 11, and adding new dependent Claim 12.

Consideration and allowance of the claims herein is respectfully requested.

Respectfully submitted,
